Rhetorical Devices Assignment

Now that you've had some practice with rhetorical devices, this assignment takes you to the next level.

Your task is to continue on with the idea of writing a speech to incoming high school students. Now, I want the speech longer, more serious, and using 5 different rhetorical devices.

So here are the requirements:

- 1 page typed, 12 font, double-spaced
- Use 5 different rhetorical devices – (cannot use metaphor, simile, hyperbole all together. These are easy, stretch your writing skills by trying something more difficult)
- Humor is okay, but with serious undertones
- Write like you are going to give this speech
- Underline and identify your rhetorical devices
